

HENDERSONVILLE CHRISTIAN ACADEMY

Athletic Agreement between Parents/Athlete and HCA

Hendersonville Christian Academy strives to make the athletic program a profitable, enjoyable, and Christ-honoring experience for our athletes, parents, spectators, and athletic staff. Please note the following guidelines to help promote this experience.

Athletes:

1. Turn in all required forms the first day of practice.
2. Pay the athletic fee before the first day of practice.
3. Attend all team meetings, practices, and games (home and away) unless there is an extenuating circumstance communicated by the parents/athlete to the coach.
4. Contact the coach before missing a practice.
5. Maintain academic eligibility (a 2.0 GPA and no F's – cumulative average from first day of the semester).
6. Report any personal injury to the Coach.
7. Complete the season. Athletes who do not complete the season (including not attending the last game/tournament unless extenuating circumstances) will not be recognized as a team member at any recognition or awards ceremony.
8. Replace any damaged uniform as a result of negligence.
9. Adhere to dress guidelines for all games and traveling to and from games.
10. Respect coaches and the school staff on and off the field/court.
11. Avoid posting negative remarks and embarrassing comments or pictures on any social media outlet. I understand the possibility of facing consequences from both the team and the school.

Parents:

1. As a parent, I understand the athletic department needs volunteers, and I am willing to assist as my schedule allows in the concession stand and at the admissions gate.
2. As a parent, I understand my behavior at games should be positive and encouraging to all players, spectators, guests, school staff, and officials. I realize if my behavior is not positive, encouraging, and Christ-like in the manner of the guidelines of the school, I may be asked to leave the sporting event.

We look forward to the great experience athletics can bring to all those involved! Thank you for your time, effort, and support.
